

Wizard World

START

Tutorial

Hit the spacebar to jump over things

Click the thing you want to jump on

The down key to throw fire

The forward key to move from each slide.

Oh No the box is blocking your way you need
to jump!

Great Job

Should you jump on there?

Restart

Stuck

Shoot fire at it to knock it down

Should you jump on the other platform?

Stuck

Restart

The rock is running towards you JUMP!

Good job

Do you want to jump?

Restart

Eaten
